AUGUST 21, 22 AND 23

K. P. FAIR DATES.

Committee Selects Time For Holding Local Fair Not To Conflict With Others.

August 21, 22 and 23 are the dates selected by the committee named for that purpose upon which to hold the Knights of Pythias fair of Stanford this year.

This was decided on Monday of this week after Secretary J. F. Cummings had received communications of the subject of dates from most of the fair secretaries in this section of the state. It was the desire of the directors that the dates chosen should not conflict in any way with any fair contiguous to the territory of the Stanford fair, and it is believed that the dates selected will prove satisfactory to anyone. They follow immediately after the week chosen for the Hiredhand fair which comes soon after Harrodsburg, Danville, with Lancaster usually leading off with the fair process, and in this part of the state.

Much interest continues to be aroused over the K. P. fair for Stanford this year. It seems to be the consensus of opinion that nobody of men could be found more competent to hold a high class exhibition of the character desired than the local lodge of Pythians. Business men and farmers express themselves alike on this point. The Knight of Pythias have the confidence of all and will have the heartiest co-operation of all elements over the county in making the fair this year one of the greatest and best ever held in Stanford and this part of the state.

BIG CONGREGATION

HEARS REV. BALLOU

Members of Christian Church Make Appreciated Presents To Beloved Minister.

A congregation which tested the capacity of the large auditorium of the Stanford Christian church assembled Sunday morning to hear Rev. Joseph Ballou preach upon the 26th anniversary of his birthday. It was a splendid audience, from all congregations, gathered to pay tribute to this beloved man of God who is well beloved in this community.

Just before he began his discourse on the "Battle of Gods", Mr. Ballou acknowledged thanks for gifts that had been made him by the congregation of that church. Many of these who listened to him had not heard of the kindness done the grand old man and asked those sitting near what it meant. They were informed that the good women of that church had presented him with an overcoat, a hat, a pair of gloves, a warm legging and several other useful articles.

Now, Mr. Ballou is not a poor man and is abundantly able to buy what he wants, but he is one of those Godly men who had rather give to the needy than to supply his own wants, and in his goodness of heart he had almost neglected to provide certain things for himself.

His coat hung up and up on a spoke of the goodness of those who had thus remembered him and there was much feeling in the best talk concerning the kindness that had been shown him.

Those who know this man of God further know that he is the most self-sacrificing of men and should a stranger in want ask for his coat he could get it. He is never happier than when making others happy and the need is never too long nor the night too dark for him to answer a call of the needy or do a friend a kindly act.

W. M. FIELDS.

Out As A Candidate For Magistrate In This District.

The race for Magistrate in the Stanford district this year promises to develop into an interesting contest. The latest aspirant for the place on the Fiscal Court, to be filled because of the untimely death of Squire Jas. McKeelnie, is Mr. William Fields, of the Maywood section, who announces in this issue of the Interior Journal his candidacy for the democratic nomination. Mr. Fields is one of the best known farmers and democrats in his end of the county, and has a world of friends who will stand behind him in his candidacy.

The "Girl of Eagle Ranch" that comes to the Stanford Opera House Thursday January 25, is a recommended attraction.

COUNTY UNIT BILL.

Gets Set Back In Senate After Passing the House

The enemies of the county unit bill got in their work in the Senate when the bill came up there, however and prevented a vote being taken on it Monday, consideration being postponed until Thursday. Among those who voted to delay immediate action on the bill was Senator B. L. Huddle, of Lincoln county. The vote was 20 to 16, enough republican senators voting with the anti-county unit democrats to delay the bill. The vote of the senators was as follows:

For delay—Senators: L. W. Arnett, T. F. Hughes, J. W. Berkshire, J. F. Baswell, H. M. Brock, Gus Brown, J. R. Carlett, N. B. Chipman, N. H. Colburn, W. E. Dowling, W. V. Eaton, Webster Helm, E. E. Hogg, T. H. Hulman, R. L. Huddle, H. H. Huttaker, T. W. Mathers, Mark Ryan, R. M. Salmon and W. F. Webb.

Against delay—B. M. Arnett, W. J. Hule, E. Bertman, J. E. Higgerstaff, J. H. Dorman, W. A. Frost, S. R. Glenn, J. C. Graham, S. L. Marshall, W. B. Moody, H. D. Newcomb, J. T. Pritchard, M. D. Scott, T. M. Thomas, B. F. Tolson, and J. T. Yims.

DRIPPING SPRINGS

It has been some time since the L. J. readers have heard any thing from this county. There is nobody freezing yet it has been awful cold.

Mr. S. D. Rothwell is in Louisville on account of illness. His friends here are very much about him.

Geo. Shelton's tobacco barn and a lot of tobacco burned a few nights ago. He had it insured.

George L. Adams and Mrs. Bessie Ramsey, were married during Xmas. Thomas Tankersley and Miss Annie Thomas were married at the home of the bride's parents Xmas day.

J. T. Wells lost a fine milk cow which got in an old house where Paris green had been laid. It had been knocked down on the floor and she ate enough of the stuff to kill her.

Miss Kate Wells, who taught our school here has returned to her home at Hutchinson, Nebraska, accompanied by her sister, Fannie. Everybody was well pleased with her school. We hope she will come back and teach for us this year.

Rev. A. C. Baird filled his appointment at Beech Grove last Saturday and Sunday.

R. T. Lanford, W. H. Cummins and Rev. E. B. Thompson attended church here Sunday.

Rev. A. C. Baird was called to preach for this Beech Grove church for the year 1912.

J. T. Wells is building a new house on the hill opposite Dripping Springs. Mrs. J. N. Singleton, Wells and Dyehouse have secured a granite monument for J. N. Singleton which weighed 2,300 pounds. This monument was to have been delivered in August but the company failed to get the work complete at that time.

Many people are being kept in an account of snow and ice on the creek. The death of Cash Kimball shocked his many friends, when he was found dead on the road side on the morning of the 19th. Some think he froze to death while some think he was poisoned on bootleggers' whiskey. He leaves a wife and several children to mourn the loss of a kind hearted husband and father, while he has many friends in Lincoln, Garrard and other adjoining counties.

We think it time the citizens and county officials were getting busy to break up this bootlegging. Mack Hopkins has moved to Cooper Creek.

Mrs. Jennie Dyehouse has had a severe attack of toothache.

Singleton and Dyehouse are preparing to build an addition to their dwelling.

DEATH OF WILLIS PALMER.

Friends of Mrs. W. L. Palmer, of Orlando, Fla., who was born in this county, deeply sympathize with her and her husband in the loss of her oldest son, Willis McAlister Palmer. The death occurred at Oxford, Ga., where he was attending college and pneumonia was his trouble. He was nearly 20 years old and would have graduated from Emory College, the alma mater of his father, this year. The burial occurred in the Orlando cemetery and the largest attendance seen there in years was present. He was a bright, manly and popular young man and his death a deeply regretted by a large circle of friends. His parents and younger brother are almost prostrated with grief.

TACKY PARTY.

Given By Bach Club at Miss McRoberts' a Delightful Affair

The home of Miss Anna Davis McRoberts was the scene of much merriment last Friday evening when the members of the Bach and Jacksonian Clubs of the High School were so charmingly entertained there. The occasion that brought them together was a Leap Year Tacky Party and was a grand success in every particular.

At eight o'clock the leap year maidens called for their honey chosen for the night and when all had assembled the comely costumed guests lined up for the grand parade. To the tune of "Alexander's Rag Time Band" played by the hostess, they marched for inspection before the three judges: Mrs. Humphrey Ballou and Misses Hopper and Jackson. The march was continued for some time for it was a difficult problem to choose the tuckiest couple. At length however they selected Miss Sallie Mills Craig and Mr. John M. Waters. In fitting speeches, Miss Ballou presented the young lady's prize, a beautiful Grecian kalamand and the gentleman's prize, a handsome dress tie.

In the "indoor track meet," the Jammers were victorious, Harry Reinhardt winning the shot put, Thomas Coleman the thirty inch dash and Snapping Hill Sophomore, the hammer throw. In the relay eating contest Harry Reinhardt successfully captured the winning team and was awarded a baby loving cup.

Delightful refreshments were next served and after a few hours friendly conversation and merriment the guests bid their hostess "goodnight" and departed. The young gentlemen and their leap year escorts were:

Miss Martha Hommel and Mr. Harvey Lewiston, Kemper, Miss Kate Ramey and Mr. William McFarty, Elizabeth Higgins and Harris Coleman, Sallie M. Craig and John M. Waters, Mary E. McKinney and Thomas Coleman, Marion Gimes and James Cooper, Effie Baughman and Harry Reinhardt, Vera Hunt and Joe Hill, Sallie Bardette and Spading Hill, Mary K. Dunderer and William Gimes, Mary M. Ramey and Clinton Coleman, Josephine Carpenter and William Yeager, Lorain Campbell and Willie Martin, Miss Inman and Tom Phillips, Miss Mary S. Cook and Jack Newburn, Miss Elizabeth Matheny and Hubert Carpenter, Mrs. Humphrey Ballou, Mr. and Mrs. Albert Severance, Prof. J. W. Ireland, Mrs. Lela Cook, Misses Hopper, Jackson, Ballou, Miss Mary M. Matheny and Mr. Morrison Bright.

This delightful function was given by the Bach Club for the purpose of raising funds to pay for the University Musical Encyclopedia which is to remain the property of the List Memorial Musical Department of the Stanford Graded School. In addition to the good time, a satisfactory payment was made on this valuable work which is an indispensable aid to students to musical history.

GIRL OF THE EAGLE RANCH
Comes To Opera House Thursday Night—A Splendid Corety

This is a comedy drama of western life on a cattle ranch, vividly presenting the well-known cowboy character and the peculiarities and is not an imaginary character brought into public prominence by authors of fiction, but an actual historical fact brought about by our civil strife some years ago. The characters are true to the people they represent and the scenic surroundings are from nature from the localities the scenes were enacted in. It is truly American western play, founded on actual facts. George W. Atchey, the owner and manager of this big production will bring the attraction to the Opera House Thursday January 25th for one night only, at the usual prices, there being no advertisement in the pieces of admission on account of the double entertainment, the management having added a long list of high class specialties to appear before the acts, and a real cowboy band will announce the company's arrival in this city with their novel and catchy street parade.

A riding of the Treasury Department opens the way, it is claimed, for the first time in history for State banks and trust companies to become known as "United States depositories."

30 head of young Jersey cows at \$23 to \$30 per head; two pigling horses at \$50 and \$60; 50 hogs at 7 cents per pound, a lot of hay selling at \$50 per truck and corn at \$1.50 per barrel.

LANCASTER.

H. F. Hudson sold a five-year-old horse to Hagan and Robinson of Richmond for \$200.

Joe L. Frances was called to Rolling Fork, Miss., by his little niece Sibel Frances, daughter of Mr. and Mrs. Alex Frances. The little girl and her mother visited relatives here in the fall and she impressed many as being a wonderfully precocious child.

Henry Simpson has accepted a position as insurance agent with the Metropolitan Company. The three towns comprising his territory are Lancaster, Stanford and Hustonville.

Dr. E. H. Pearce has returned to resume his pastorate at the Methodist church his wife having sufficiently recovered from her recent illness to go to Florida for recuperation. She was accompanied south by her daughters Misses Lillian and Alene Pearce.

The exhuming of the body of George Finley at Point Lick two weeks ago from which Finley died, took place here Saturday. Balston was held under a bond of \$500 to await the action of the grand jury at the March term of circuit court.

The leap year party given by 11 of the young society ladies of this city was an enjoyable affair and a success in every way. Miss Bettie Barker, Barnside, President, and B. Ware McRoberts, led in the grand march, which was followed by the London Bridge and other pretty figures. After the intermission the couples repaired to the hotel Kengard where a delightful two-course luncheon was served by Mrs. B. Zimmerman.

The young people were under the chaperonage of Hon. John M. Farra and Mrs. Farra, Mr. and Mrs. John E. Stommes, Mr. and Mrs. John M. Mount and Mr. and Mrs. Carlton Elkin.

Mrs. Eugenia Dunlap Potts' many friends here at her home learned with deep regret of her recent painful accident in the city of Lexington. While returning from a meeting of the U. D. C. she slipped on the icy pavement near the Court House and fractured her left hip bone. She was taken at once to St. Joseph's hospital where the best of medical aid was rendered her.

W. B. Mason received a telegram informing him of the death of his brother Hugh L. Mason in Chicago. The deceased was a brilliant lawyer and for many years enjoyed a lucrative practice in the Windy City. Besides his aged mother Mrs. Elizabeth Mason he is survived by three brothers, W. B. Mason of this place, Geo. T. Mason, of Chicago and Benjamin Mason. His wife who was Miss Sue Shelby of the well-known Shelby family of Lincoln died several years ago.

Mrs. E. H. Walker bought a team of horses of L. W. McQuerry of Stanford for \$500.

Chautauque Circle met Saturday with the teachers, Misses Robinson, Brashear, Mason and Walsh at the home of Mrs. Alex Walker.

Mr. and Mrs. Herley A. Bastin are being showered with congratulations upon the arrival of a second little son at their home. The interesting little fellow has been christened Herley V. Jr. for his father.

The residence of Mr. and Mrs. Bessie Denton, near Point Lick was entirely consumed by fire at 9:30 Thursday morning. Only the timely warning of neighbors prevented Mr. and Mrs. Denton from being burned. The whole of the roof was a mass of flames when the fire was first discovered. The loss is estimated at something over \$2,000 with an insurance of \$1,800.

Eugene Clark, the 10-year-old son of Mr. Charlie, of Lexington, died at the home of his grandmother, Mrs. Samuel Bourne, while there on a visit to his grandparents. The attractive little lad was first stricken with diphtheria followed by a paralysis. The internment took place Sunday morning at 10 o'clock in the Lancaster cemetery.

The Young Woman's Missionary Circle held an interesting session Sunday afternoon at the Christian church.

Captain A. M. Bourne, who served as auctioneer at the Owens sale near the west Garrard boundary reports a fairly good attendance considering the weather and reports the following prices:

30 head of young Jersey cows at \$23 to \$30 per head; two pigling horses at \$50 and \$60; 50 hogs at 7 cents per pound, a lot of hay selling at \$50 per truck and corn at \$1.50 per barrel.

DAVID S. CARPENTER

Esteemed and Beloved Citizen of West End Is No. More.

The west end of Lincoln lost one of its most valuable and sturdiest citizens when Mr. David Spillman Carpenter died at Hustonville, last Thursday night, brief mention of which was made in our Friday's edition. For years he had been identified with the business and other interests of that portion of Lincoln county and he was well known and universally liked by all. He was a son of the late David Carpenter, who in his day was a very prominent citizen of this county. Deceased who would have been 70 years old had he lived until next March, is survived by his wife, who was Miss Sophia Carpenter, a sister of Mosses, J. G. and George D. Weatherford, and four brothers, Messrs. John Steele, who is here for treatment under Dr. Carpenter and Sandy, Ed. and Calvin Carpenter, and in their great loss they have the unbounded sympathy of a large circle of friends. As a result of the marriage of Mr. and Mrs. Carpenter one child was born many years ago but its little light went out when it was only two years old. Mr. Carpenter was a devout member of the Christian church, a kind obliging gentleman, a good citizen and an honest man. His life was an open book to the community in which he lived and he had the respect of all ages and classes. Many his rest be sweet and his reward great.

The funeral services were held at the late home at 10 o'clock Saturday morning, his pastor Ed. W. S. Wallis, officiating and the burial followed in the pretty little cemetery on the side of the hill where so many of the good people of that section are sleeping the sleep that has no waking. Flowers brought by loving friends covered the mound that marks the spot where the splendid gentleman lies, attesting to some extent the esteem in which he was held at home, the dearest and best of all places.

Fort Thomas, Ky., near Covington is being urged as a naval recruiting station.

1,000,000 pounds more of the 1909 Burley pool were sold at Lexington Tuesday.

Ben Sutton sold 100 bales of hay to J. P. Gregory of this city at \$30 per ton.

John Meadows bought a lot of corn from his son Ansel Meadows at \$3.00 per barrel.

W. M. Plannery bought two yearling cattle from Henry Arnold at \$28.25 and \$14.

The Mary Walker Price Chapter, of the U. D. C., held a Lee and Jackson memorial service here on the afternoon of the 19th at the home of the Mesdames Frisbie.

The program was eminently appropriate opening with devotional exercises in charge of the president Mrs. E. P. Frisbie.

A very interesting paper on Robert E. Lee was read by Mrs. J. L. Eiley. The song roll including Mrs. Jackson's recitation of the novel's delineation of her husband's character, the review read by Mrs. Mattie P. Frisbie, a poem on the two confederate heroes rendered by Mrs. B. F. Hudson; music by Miss Katie Lee Denny; an impromptu feature in the way of an old-fashioned southern dance performed by the oldest widow and widows present who were inspired with Terpsichorean steps by Dixie's strains. The entertainment closed with a dainty luncheon course.

Miss Callie Adams is in Springfield for a visit to Mrs. Joe P. Pettus. Miss Allie Yantis, is at home again after a visit to her cousin Miss Lottie Carson of Stanford. LINCOLN A PAUPER

Expenses for Past Year Exceeded Revenue By \$700

Lincoln county went into the list of pauper counties of Kentucky last year, the expenditures of conducting the business of the county exceeding the revenues by \$772.21. This is a reversal from 1910 when Lincoln paid out \$708.14 into the treasury. Out of 119 counties in the state there are only 34 that are self supporting. Among our neighbors Boyle county paid \$15,000 into the treasury above her expenses, Casey is a pauper to the amount of \$16,000 Garrard paid \$9,000 into the treasury on the right side of the ledger, Laurel cost the state \$24,000, Madison in \$15,000, Mercer paid \$13,000, Rockcastle cost the state \$22,000 Wayne cost the state \$14,000, Whitley \$39,000 and Pulaski paid in \$37,000.

Some of the very best counties in the state are in the "pauper" class, however, so that it is not such a disgrace after all as it looks.

ADAM PENCE

Sustains Severe Injury While Coasting on Snow Last Week.

Adam Pence was confined to his home for several days, with what seemed to be a severe injury to his spine caused, by an accident while coasting with his little brother-in-law, Morgan Baughman last week. They were sliding down a hill during the "spell" when coasting was finest. Arriving at the bottom, the sled struck a concealed rock, which threw them off and Mr. Pence struck on the neck with great force, causing severe pain. A nerve seems to have been injured in some way, and much numbness was felt over his condition, though the physicians are not inclined to think that the injury will be permanent and he is about able to get out now.

There were several other coasting accidents last week, but nothing of a serious nature, and the boys and girls had big times while the snow lasted. Owing to the fact that the snow fell before the intense freezing spell came, there was little chance to do any skating on the lake, which many had hoped for.

SEARS-RANKIN.

Monday morning at 10 o'clock at the Baptist parsonage, Miss Ethel Sears became the wife of Mr. Luther Rankin, Rev. D. M. Huey performing the ceremony. Miss Sears is the daughter of Mr. and Mrs. W. H. Sears, of this city and a very attractive young lady, numbering her friends by the score. She has until recently, been engaged as cashier at Slessenger's store. Mr. Rankin is a Wayne county boy and is very popular in this city, where he has been in the employ of the Cumberland Grocery Company. A few months ago his company, recognizing in him superior business qualifications, made him manager of their plant in Junction City, at which place they will make their future home. They have a host of friends who wish them ever happiness in their newly married life.—Somebody Times.

The Ladies' Mission Society of the Baptist church will meet with Mrs. J. E. Cummins on Friday afternoon at four o'clock.

TEMPERANCE COLUMN

This space is engaged by the Temperance Committee of Lincoln County.

A motto for temperance people: Wake up, stand up, pay up, and stay up, and never give up, let up, back up or shut up, until your cause is built up and won.

IN MEMORY.

Of our dear brother Charlie E. Murphy, who departed this life, February 10th, 1911.

Hour by hour we saw you fade and slowly sink away, yet in our hearts we often prayed, that you might linger stay. We miss your coming foot step, we miss you every where, home is not what it used to be since dear Charlie is not there.

WHISKY FIGHT

BEGINS TO WARM UP.

Both Sides Perfecting Organizations To Get Vote To Polls On February 10.

With the date for the local option election just a little over two weeks off, both the whisky and temperance forces in Lincoln county are becoming more active in their campaigns and the indications are that both sides will endeavor to get out a big vote of their following. So far the campaign has progressed good naturedly on both sides, and everyone hopes that it will continue thus to the end, for which ever way the election goes, the losers and the winners will still have to live together in the community.

The pastors of the various churches of Lincoln county are making vigorous speaking campaigns over the county endeavoring to arouse the temperance voters, to the necessity of going to the polls on Feb. 10. A number of the ladies of Stanford are also engaged in mailing out temperance literature to the voters all over the county. The ladies are also taking printed pledges around for signatures of those who will vote against the re-establishment of the saloon in this county. Several mass meetings have been held at various points. A particularly hard fight is being made at Crick Orchard where the temperance forces have been especially hard at work. Mrs. Lige Hoskins, whose husband was recently killed in the vegetable shooting army there, just before Christmas, leaving her with six children, has enlisted in the temperance work, and is begging men not to vote to put saloons in.

The Weis are conducting a gun-shoe campaign; more or less, and saying little, but it is understood that they are doing some hard work. They are sending out some literature quoting prominent men on the liquor question, who believe that a high license saloon is preferable to no saloons and a community overrun with blind tigers. A number of the well known wets from different parts of the county held a meeting here Monday and discussed phases of the campaign, and it is said, that several prominent liquor men from Louisville were on hand, and planning with the local leaders.

TACKLED WRONG BIRD

The Louisville Times' Frankfurt correspondent said last week:

Those who know him would hardly believe it, yet it is a fact that Senator R. L. ("Took") Hubble, of Lincoln county, was picked out as a "mark" by the operators of the old "Spanish prisoner game." Senator Hubble is just in receipt of a letter from Madrid, Spain, in which he is promised a third of \$330,000 that the writer who is "hanging in a Spanish prison" has consented in the United States. It is needless to add that the operators of this old swindle picked the "wrongest" man in Kentucky to "fall" for this game. "Took" says race horses can get his fast enough.

NEWS OF GEORGE CROW

Mr. George P. Crow arrived in this city this morning from Salisbury, N. C., where he had been for some weeks, on a visit to his parents and sister. The many friends, in this town and county, of his mother, will regret to know that she is seriously ill. Mr. Crow will leave this afternoon for his home at Joplin, Mo., having gone there when he left this city last July. He is in the mining business, mining zinc and lead, and is secretary of a wealthy company engaged in this business, and is much elated over the prospects. Mr. Mitchell Taylor, of this city, is president of the company. Mr. Crow has a legion of friends in this county, who will rejoice to know of his success and hope he will succeed beyond his fondest hopes. Danville Messenger.

REWARD FOR GARRARD NEGRO.

A reward of \$150 was offered last week by Gov. McCreary for the arrest and conviction of Allen James, a negro who is wanted for Garrard county for the murder of Harrison Preston, a white man. The killing is said to have been without provocation. The negro fled after the murder and has not been heard of since.

Frankfort is making an effort to raise \$20,000 for a Y. M. C. A. building.

A DESERVED TRIBUTE TO A NOBLE CHRISTIAN

At the Christian church on Sunday morning, was held a service beautifully touching in its every aspect. Rev. Jos. A. Ballou on the 76th anniversary of his birth, in the church built during his pastorate, preached to the people who have known and loved him many years.

The church was filled not only with its accustomed congregation, but with people from every church in the town. It was the Christian people of the whole community regardless of church affiliation, come to show their love, their honor and respect for a true, brave, loyal man of God; for a useful citizen, who has never shirked a responsibility of citizenship; for a neighbor whose crib and whose ladder have always stood open to the worthy poor; for a Godly man whose prayers have helped to lift the fallen and cheer the faint; for a man with the courage of his convictions, whether as a soldier upon the field of battle, a preacher in the pulpit, or a citizen in the private walks of life.

Jos. A. Ballou has lived in this community a life of unselfish usefulness for many years, and in all these years, no man has ever doubted how he stood upon any question of common weal or of public importance. No man who has ever lived among this people more justly deserves, or more fully holds their good esteem than he.

The wreath upon the dead man's coffin and the marble shaft at the dead man's grave are tributes of respect and of love but they are tributes which yield pleasure only to those who bestow them. How sweeter the voice of love to man's living ear than fragrance of sweetest flowers on his sepulchre; how dearer to man's weary soul the show of encouragement and approval while he lives, than deep carved words of adulation on granite tomb when he is dead.

It was this bestowal which the people gave this man as he turned the 76th year of life behind him, and it is the prayer of all who know him that he may be long spared in strength of mind and body. Such men are needed, and when they are gone they are not easily replaced.

Kentucky friends of Woodrow Wilson, we opine, are not going to fall out with him because he didn't talk just to suit Col. George Harvey of Harper's Weekly, or Col. Watterson, of the Courier-Journal. The Harper's magazine has been notorious for many years for its friendliness to "the interests," J. P. Morgan being the principal owner, it is said while it's a matter of record that Col. Watterson has very seldom favored the candidacy of anyone whom he could not control, and, moreover, the brand of his democracy has of recent years been so very checked that democracy out in the state, though loving him well, for the sake of days gone by, are now scarcely inclined to give much heed to his championship, of any candidate. The friends of progressive government and true democracy, will, if anything love Wilson the more for the enemies he has made and at any rate will not pass judgment on this or any other incident until both sides have been fully revealed and considered.

SPORTSMEN'S CALENDAR.

The I. J. has received a beautiful calendar from the Remington Arms—Union Metallic Company of New York, the cut being a small reproduction.

LAY ON, MACDUFF.

Editor Desha Breckinridge, of the Lexington Herald, is giving Campbell Cantrill the skinning of his life, for having the congressional committee in the Seventh District of which a majority are Cantrill's tools, call a snap primary, so as to freeze out any other possible candidate. Cantrill's action is nothing more than should have been expected of a man of his calibre. It's a pity, too, that it is so small for he is a man of undoubted ability, unscrupulous as he is, at least in politics.

Knowing Cantrill as we do, we are not a bit surprised at what he has done. Our only surprise is that the good people of the Seventh Congressional district have allowed him to misrepresent them in Congress as long as they have.

Editor Breckinridge wants the State Central Committee to take cognizance of this snap call as being violative of the party pledge to enact a direct primary law, and against every consideration of fairness and justice in giving candidates reasonable time to make campaign. This would be a mighty good time for the state committee to make an example of Cantrill and his crowd, who represent about all that is left in Kentucky of the old-time idea of machine rule or ruin policy. The sooner they are put out of business the better for the people and the party. Give 'em the devil, Editor Breckinridge. The decent, progressive Democracy of the state stands solidly behind you, and is looking to you to continue this good work.

Senator R. L. Hubble, of Lincoln introduced the following bill in the State Senate last week:

Senate bill No. 133—Act to regulate telegraph, telephone, express pipe line and heat and light companies, declaring same to be common carriers, and under supervision of Railroad Commission.

This is just the character of bill that the lobbyists are sent to Frankfort to keep from passing, by hook or crook, mostly the latter. Let's see what success they have against the efforts of the Senator from Lincoln who's pretty well on to their curves as a result of his eight years' legislative experience. We predict they won't find such easy sailing this time.

The defunct Somerset Republican has been revived as the Lender and the people of that good town will have to put up with four newspapers again, when the field is just about the size for two. The Powers faction of the party has always run the Republican while the Edwards and the Herald, and we suppose the two will be at each other's throats as usual during the coming presidential campaign. W. G. Cundiff, a school teacher, starts out as editor of the revived sheet, and expresses some beautiful ideals in his salutatory, several of which he will have occasion to revise considerably before he

has run a newspaper a few months. Here's luck to him anyway.

The current number of the Eastern Kentucky Review of the Normal School at Richmond, gives a comprehensive glance at the great work this institution has done since its foundation. Lincoln county has been well represented among the scholars and its young men and women appreciate the worth of the normal. President Crabb is doing a magnificent work as its head and deserves the commendation of the state.

Editor Lewis Landrum warns the good people of Danville that there are some Mormon missionaries prowling about in that section. Certain loving husbands we know of over here in Lincoln will undoubtedly extend them a cordial welcome, with decorations of tar and feathers on the side, should they happen over this way preaching the pleasures of polygamy.

The Progressive Democratic League of Ohio has started an attack upon Gov. Harmon's presidential candidacy, accusing him of being the candidate of Wall street.

RECORD OF A GREAT MEDICINE

Doctors Could Not Help Mrs. Templeton—Regained Health through Lydia E. Pinkham's Compound.

Hooper, Nebraska.—"I am very glad to tell how Lydia E. Pinkham's Vegetable Compound has helped me. For five years I suffered from female troubles so I was scarcely able to do my k. I took doctors' medicines and used local treatments but was not helped. I had such awful bearing down pains and my back was so weak I could hardly walk and could not ride. I often had to sit up nights to sleep and my friends thought I could not live long. At my request my husband got me a bottle of Lydia E. Pinkham's Vegetable Compound and I commenced to take it. By the time I had taken the seventh bottle my health had returned and I began doing my washing and was a well woman. At one time for three weeks I did all the work for eighteen boarders with no signs of my old trouble returning. Many have taken your medicine after seeing what it did for me. I would not take \$1000 and be where I was. You have my permission to use my name if it will aid anyone."—Mrs. SUSIE TEMPLETON, Hooper, Nebraska.

The Pinkham record is a proud and peerless one. It is a record of constant victory over the obstinate ills of woman—ills that deal out despair. It is an established fact that Lydia E. Pinkham's Vegetable Compound has restored health to thousands of such suffering women. Why don't you try it if you need such a medicine?

Goat Flagged a Train

A comical incident was related by an old railway engineer the other day at the union depot. He said while running an engine in Kentucky several years ago between Stanford and Rowland, Ky., there was an old Irishman who resided between the two towns that worked on the section gang. His wife presented him for a Christmas present a red flannel shirt and he was delighted with the highly-prized present. There was also a "filly goat" that belonged to the family, which stole into the house and saw the garment and took quite a fancy to it.

In the meantime he commenced mutilating on this precious gift and soon had it devalued. It was soon noticed around the household about the unfortunate garment. Four Pat caught the goat by the collar and said, "He had you son of a gun, old fellow, you will have to suffer death for this mauling act." He led him to the rails so the goat could run over him. The engineer, in going around a curve, saw the obstruction on the track. He commenced blowing the danger signal. It scared the goat so badly that he coughed up the red shirt and flunged down the train. By doing this he saved his own life, and, perhaps, a serious wreck.

THE STATE OF CASEY.

Esq. T. S. Benson of Middleburg, was in town one day last week, and showed us a pair of gloves his wife knit for him 25 years ago. He says they have been lost five times and found. During the November term of circuit court he left them in the clerk's office. He says they are Baptist gloves, and can't be lost without being found.

Mrs. Caleb Newell is visiting at Stanford this week. Her husband is taking his meals at the Bell hotel. Some fears are entertained that the supply of squash will be exhausted

Mr. and Mrs. John Wesley and Mr. and Mrs. James Wesley, of Mt. Salem were guests of Mr. Simon Wesley and Mrs. L. C. Dye last week. Lieut. D. C. T. Grubbs, of Shelby City spent from Saturday to Monday with Prof. E. L. Grubbs of this place. He presented the Prof. with an old "Flint Lock" pistol an old Colt revolver, a Cuban Maecete, also one of the swords belonging to Capt. H. Y. Grubbs who was killed on the Island of Negroes, P. I. on October 1, 1899. Lieut. Grubbs will return to the Philippines about February 15. He was accompanied on his return home by Capt. H. A. Phillips who has been visiting here also.

A MEASURE OF MERIT

Stanford Citizens Should Weigh Well This Evidence.

Proof of merit lies in the evidence. Convincing evidence in Stanford is not the testimony of strangers, but the endorsement of Stanford people. That's the kind of proof given here. The statement of a Stanford citizen:

John H. Wren, E. Main St., Stanford, Ky., says: "I know from experience that Doan's Kidney Pills are all that is claimed for them. Off and on for several years I had severe attacks of backache. I often did work that required stooping and at such times the backache became worse. There was also a too frequent desire to void the kidney secretions both day and night. Doan's Kidney Pills relieved me and have never failed to benefit me when I have taken them since."

For sale by all dealers. Price 50 cents. Foster-McMullen Co., Buffalo, New York, sole agents for the United States.

HOGWALLOW DOINGS

(Hogwallow Kentuckian)

Raz Hurlow has moved off as he passed Rye Straw Thursday. He was in a hurry and will be back for it in a few days.

Someone has stolen the last chair Sim Flinders had. He consoles himself with the fact that he has his old friend the bed to fall back on.

The town of Hogwallow was in darkness last night on account of the Fiddy Flinders having eaten the postmaster's supply of candles.

The storekeeper at Bounding Bellow says they holded a lot about early shopping before Christmas but that he didn't open his store before breakfast for nobody.

It is reported with some foundation that Miss Frazie All-top is seriously considering the task of marrying a young man of the Buzzard Knob neighborhood. He is a strong temperance advocate and drives the water wagon with a wheat thresher over summer.

The examining trial of Raz Hurlow charged with detaining the mail Carrier by offering him a drink of beer was set down for trial at Tickville Wednesday morning, but was continued on account of a lack of sufficient evidence to acquit the defendant.

The large yellow horse driven by Ellick Heltwanger got scared at the Deputy Constable the other morning and ran away, flinging Ellick against the fence. He was attended by the horse doctor and it was several minutes before he could get Ellick's watch to ticking again.

Tickville is to have a railroad. This is the news brought in by the Mail Carrier this morning. It is reported that the work of unearthing the old track built some years ago will begin in a day or two. The train will begin at Tickville and after turning around in a large field near the school house will go back.

Poke Earley put another notch in his reputation this week by doing an impossible thing. This feat consisted of moving his pond from his horse lot to a point on a hill about three hundred yards to the east. The task was accomplished with the aid of neighbors in a short time and without spilling a drop of its contents.

Thursday morning he found the pond frozen from top to bottom solid. With the aid of neighbors he took heavy fence rails and prized the pond loose from the bottom then placed it on some large round logs, and rolled it to its new location where a large opening had been made for it in the ground.

Isaac Heltwanger has been appointed a committee to attend the Dog Hill church next time it is going to rain, and see if the roof leaks. If he finds a leak he is to file a report with the committee of investigation, which body is to hold a conference and report their finding to the deacons, who will recommend to the committee on repairs that the work be done. Then bids will be received for the job and the contract let to the lowest bidder provided he is a member of that church. On the other hand, if Isaac, in his investigation, finds that the roof does not leak, he, as a committee of one, shall be ordered dissolved, and same shall be so recorded on the minute books.

The Interior Journal has some very heavy obligations to meet within the next two weeks. It will not have the slightest trouble in doing so if every subscriber on its list whose subscription has expired will send in a dollar at once. There are enough subscriptions owing to keep up "out of the hole," and there is mighty little we would appreciate more right at this time than to have you send in that dollar at once. If you are one of them won't you favor us this time, by doing so right now?

His many friends will be glad to know that Dr. A. S. Price has recovered his health to such an extent that he will now be able to return to his office regularly after Wednesday of this week.

CARD OF THANKS.

We take this method to express our heart-felt gratitude and appreciation to each one, who in any way administered to the comfort and pleasure of our dear departed husband and father. May the God of all grace bless and keep you. Mrs. Long and children.

SYSTEMIC CATARRH RELIEVED BY PERUNA.

My Husband Also Uses Peruna.

Mrs. Della May Bismell, whose glasses she wears, is a patient of this testimonial and who resides at 850 N. Conde St., Tipton, Ind. writes The Peruna Co., as follows: "Eight bottles of Peruna completely cured me of systemic catarrh of several years standing, and if my husband feels badly or either of us catch cold we at once take Peruna."

Stomach Trouble.
Mrs. Wilson Robinson, 704 Nesbitt St., Toledo, Ohio, writes: "I feel like a new person. I have no more heavy feelings, no more pain, don't belch up gas, can eat most anything without it hurting me. I want to be working all the time. I have gained twenty-four pounds." "People that see me now and saw me two months ago seem astonished. I tell them Peruna did it. I will say it is the only remedy for spring and all other ailments."
